

Quick Start Campus-Wide License for Faculty, Staff, and Students

Overview

This guide describes how to install and activate a Campus-Wide License. The Campus-Wide License provides access to all faculty, staff, and students on university-owned computers. Faculty, staff, and students are also able to install MathWorks software on their personally-owned computers.

Download the Installer

1. Sign in to your MathWorks Account at mathworks.com/login that is associated with your university email address. If you don't have an account, create one using your university email address.
2. Click on your profile name in the upper right hand corner and select Associate License.
3. Enter the **Activation Key** that your administrator gave you.
4. Click "**Download your products now**" or go to mathworks.com/downloads
5. Click the **download** button for the current release.
6. Choose a supported platform and download the installer.

Install and Activate

1. Run the **installer**
2. In the installer, select **Log in with a MathWorks Account** and follow the online instructions.
3. When prompted to do so, select the **Academic – Total Headcount** license labeled **Individual**.
4. Select the products you want to download and install.
5. After downloading and installing your products, keep the **Activate MATLAB** checkbox selected and click **Next**.
6. When asked to provide a user name, verify that the displayed user name is correct. Continue with the process until activation is complete.
